

The Adventures of Mary Sue by hafedor

Chapter 3

Mary Sue, and Allura soon made their way to the control room. Coran, and the rest of the Voltron force were waiting for them.

“What’s going on?”, asked Allura.

“You won’t believe it.”, said Coran, “Lotor has asked to discuss a truce. He even brought his father, King Zarkon, to Arus.”

“Zarkon!”, replied Allura, “But he hasn’t been here since...”

“I don’t trust them.”, interrupted Hunk, “I think he just wants Mary Sue!”

“Ah, who could blame him.”, said a dreamy eyed Keith, “Uh, I mean, he better not try it.” Just then Lotor appeared on the screen.

“Voltron force, this is Prince Lotor.”, he stated, “I know we’ve had our differences, but this time I am serious about a truce. I am willing to hand over Princess Romelle. I have her with me now!”

“And what do you want in return?”, asked Allura.

“All I want is Mary Sue, for my queen.”, he told them, “Do this, and there will be peace throughout the galaxy.”

“Well, I think that sounds fair.”, said Allura.

“No way!”, shouted Coran, “I won’t let you lay a finger on her. Allura is still single.”

“What!”, cried Allura.

“Oh come on now Princess.”, said Coran, “A good ruler should do what’s best for her people.”

“I don’t want her!”, shouted Lotor.

“Well too bad!”, shouted Keith, “It’s Allura, or nothing!”

“I’m not going with Lotor!”, shouted Allura.

“Oh he doesn’t want you anyway!”, said Pidge, “God, you’re a narcissist!”

“Look, to show my sincerity, I’m surrendering Princess Romelle now.”, said Lotor, “You can meet us in front of the castle.”

A few Castle soldiers, Coran, and the Voltron force waited for Lotor. They were on guard in case it was a trap. Lotor, Zarkon, and Romelle soon exited the ship.

“Lotor, you idiot!”, shouted Zarkon, “You said nothing about a truce! It was bad enough you were gaga over that Arusian princess, now you’re after some woman named Mary Sue. Haven’t learned anything I taught you about women, they’re not worth it! They’re.....Well, hello! Is that her? Wow, I’d join a monastery if she’d ask me.”

“Oh! She’s beautiful!”, shouted Romelle, “I wished I looked like her!” Allura heard everything, and just gritted her teeth.

“Go to your worthless friends!”, said Lotor to Romelle, “I have no use for you anymore!” As Romelle ran towards them, Allura opened her arms. She was ready to embrace her cousin. But instead, Romelle ran over and hugged Mary Sue.

“I don’t know who you are.”, said Romelle, “But thank you for saving me!” Allura became incensed.

“Hello!”, she shouted, “Long lost cousin over here!”

“God, Allura!”, shouted Romelle, “Quit being such a narcissist!”

“There’s been a change of plans!”, said King Zarkon, “In order for the truce to go through, Mary Sue will become my queen.”

“But I saw her first!” shouted Lotor.

“But I’m still king, idiot!”, shout Zarkon.

“I’ll fight you to the death for her, old man!”, yelled Lotor.

“Stop it!” yelled Keith, “This is ridiculous! She isn’t going anywhere with either one of you!”

“Then Arus will pay!”, said Lotor, “I shall release my most evil robeast ever!”

Lotor, and Zarkon returned to their ship. They soon released the robeast. Mary Sue, and the rest of the team, made their way to the lions.

“Ready to form Voltron!”, ordered Mary Sue, “Operate interlock, dinotherms connected, infra cells up, mega thrusters are go!”

“Let’s go Voltron force!”, shouted the team, and the mighty robot was soon formed. They fought valiantly, but they were all but defeated. The robot laid on the ground with the robeast standing on top of him.

“This is your last chance!”, ordered Lotor, “Surrender Mary Sue, now, or be destroyed!”

“There’s no hope.”, moaned an injured Keith.

“Not if I can help it!”, shouted Mary Sue. She then exited black lion, and made her way towards Lotor’s ship.

“Good!”, laughed Lotor, “She’s surrendering to me! Wait what is she doing?” Mary Sue’s eyes began to glow. No one else knew, but she had telekinetic powers. She was able to start Lotor’s enlarging ray, and got it to fire upon her. She was now the size of a robeast.

“Hey Ugly!”, she shouted at the robeast, “Why don’t you pick on somebody your own size!”

“No!”, shouted Lotor, “Don’t hurt her!” The robeast took one look at Mary Sue, ran in the forest, and came back with what looked like a bouquet of trees. He then got down on one knee, and handed them to Mary Sue.

“Oh God, you’ve got to be kidding me.”, said Allura, who watched everything from her view screen.

“Follow me, big boy.”, said Mary Sue to the robeast. He then followed her to the cliff like a love sick teenager.

“It is a far, far better thing that I do, than I have ever done; it is a far, far better rest that I go to, than I have ever known.”, shouted Mary Sue. She then grabbed the robeast, held her to him, and sent them both over the cliff to their deaths.

“NOOO!”, cried Lotor.

“I can’t believe she’s gone!”, cried Keith.

Lotor, Zarkon, the Voltron force, and Coran made their way to the cliff.

“She gave her life for us!”, cried Allura, “I was wrong about her! I am a narcissist!”

“Please Allura!”, said Coran, “This is no time to be talking about yourself.”

“Perhaps I was wrong all these years.”, said Zarkon, “I think maybe I should try and be a better person. I believe that I learned that from the sacrifice of that lovely young woman.”

“Me too, father!”, cried Lotor.

“Oh my son!”, cried Zarkon, and they embraced.

“That’s beautiful!”, cried Hunk.

“I don’t think I could ever love another woman.”, said Keith.

“What are we going to do?”, asked Lotor.

Lotor, Hunk, Pidge, Zarkon, Coran, and Keith all looked at each other and smiled.

“So, anyone ever hear of an old Earth movie called ‘Broke Back Mountain’?”

Just then, Lance appeared. He had made a miraculous recovery.

“Why is everyone out here?”, asked Lance.

“Lance, you’re okay!”, cried Allura.

“You wouldn’t believe it.”, said Lance, “Just a minute ago a beautiful redheaded angel, with violet eyes came to me. She told me to wake up, and get out of my bed. It worked, it was a miracle. The angel then told me she was off to be with her true love, Gary Stu. She was so beautiful, I don’t think I could ever love another woman.”

“Come on Lance.”, said Keith, “We were just going into the woods to discuss that very thing.” As they walked away, Allura looked up towards Heaven.

“Thank you Mary Sue.”, said Allura, “I guess if I had been a lesbian, I would have fallen in love with you too.” Allura then watched the men walk into the forest together.

“Then again.”, sighed Allura, “I might not have a choice.”

The End!

Chapter End Notes:

Well, I finally finished it. Probably not my best work, but I had a lot of time to kill while my car was being worked on. I was hoping someone else would finish it, but no one else did. And yes, I did steal that line from "A Tale of Two Cities". Anyway, I hope the story was humorous.
