

Sweet Home Planet Arus by MrMeier

Turn it up . . .

Big lions keep on roaring

Taking me home to see my friends

Singing songs about the valley

I miss Allura yet again

And I think it's a sin, yes

Well I heard Zarkon talk about her

Well I heard Zarkon put her down

Well I hope Zarkon will remember

Planet Arus don't need him around anyhow

Sweet home Planet Arus

Where the skies are bright and blue

Sweet home Planet Arus

Alfor, I'm coming home to you

On Planet Doom we fought the Doomites

Yeah, Yeah, Yeah

Now we just did what we had to do

Now Lotor's fate does not bother me

Does your conscience bother you?

Tell the truth

Sweet home Planet Arus

Where the skies are bright and blue

Sweet home Planet Arus

Alfor, I'm coming home to you

Here I come Planet Arus

Now Planet Arus has got some hot babes

And they like to be so fine to you

Alfor, they get me off so much

They help me out when I'm feeling blue

How about you?

Sweet home Planet Arus

Where the skies are bright and blue

Sweet home Planet Arus

Alfor, I'm coming home to you

Sweet home Planet Arus

Oh sweet home baby

Where the skies are bright and blue
And Coran he works for you
Sweet home Planet Arus
Alfor, Alfor I'm coming home to you
Yeah, yeah Planet Arus is the answer
